This is a FAMILY conference. Whether you are an adult, youth or child you can expect to be equipped, healed and transformed by the Holy Spirit during this conference. Worship as a family and then separate into exciting and transformative classes for each age group. The Holy Spirit can work through children sometimes even better than He can with adults. People of all ages have seen miracles signs and wonders during this conference. Nothing is impossible for our God. Anticipate your miracle! We've watched for 50 years how just one touch from the Holy Spirit will change your family's life forever!
