## WORKSHOPS

**“The Work, the Ministry and the Baptism of the Holy Spirit”**

Join Dr. Carolyn Cecil for a transformational workshop which will teach you about who the Holy Spirit is, what He does, and what the Baptism of the Holy Spirit is.

**“Love & The Design of Your Heart”**

Join Eva Clark in understanding God's love and how our hearts are designed to carry His love. God's love goes way back beyond the cross and is the action of his message. The dynamics of the spiritual and natural heart affect and impact every dimension of our lives. Walking in God's love and taking on His nature is vital, because if you do or if you don't, it determines everything.
